PAYMENT OPTIONS: • **VISA, MC/AMEX accepted**
• **BUSINESS/PERSONAL CHECKS (under \$10,000), ACH & CASHIER CHECKS – Orders are released for immediate shipment**

DEPOSITS: Orders for large quantities, columns, mantels, special woods or modified items will require a 50% deposit to process. Balance due before shipment.

WOODS: All items are manufactured in Alder, Hard Maple, Red Oak and Cherry.

SPECIAL WOODS: We offer Mahogany, Black Walnut and White Oak on a special run basis – lead time will apply also minimum quantities may apply on some items. Other woods may be available upon request.

ORDERING: **Orders in stock will generally ship within 3 business days.**

To order online, please go to our website: www.enkeboll.com.

Orders cannot be processed if incomplete (wood species, payment method, quantities).

We confirm all orders by fax or email. To ensure that your order ships correctly, please review the sales order acknowledgement.

Some orders, which require modification, assembly, special quantity run or have been packed at time of cancellation may be subject to a service charge.

Freight and handling charges on orders refused by consignee will be charged to buyer.

When ordering molding please allow for pattern repeat waste (20%).

Our measurements may have a variation within 1/8" – if critical please ask for verification of sizes.

All items are finely sanded to 180 grit, they may require additional sanding based upon finisher requirements.

CUSTOM ORDERS: Enkeboll can customize to meet specific design needs. We can modify an existing design in our product line or assist in creating a completely one of a kind piece to meet special design requirements.

In order for Enkeboll to begin the custom quote process we will require:

- A drawing or photograph of the item, specifying dimensions, quantity, wood species and any other pertinent information.
- Enkeboll's production team will normally quote within 48 hrs. (2 business days)
- The Customer Service team will remit the quote via email or fax to the customer.
- Prices are net and no additional discounts are given. Packing & freight additional.

Once the quote is approved:

- A 50% deposit will be required to begin the order.
- Enkeboll customer service will remit to customer a drawing with all pertinent information.
- Customer will be required to sign and authorize the drawing and return back to Enkeboll.

Lead time for custom orders is 6-8 weeks from receipt of deposit.

NO RETURNS ACCEPTED ON CUSTOM ORDERS.

SHIPPING: Net – F.O.B CARSON, CA

Packing & freight charges will be added to all orders. Packing charges only will apply to orders with buyer specified freight account.

The minimum shipping charge for orders under \$200.00, shipping in U.S.A. or Canada, via UPS/FedEx is \$16.00.

Oversized packages (over 8ft in length) or exceeding size limits ship by UPS Freight. Minimum freight \$200.00 for orders under \$1000.00.

Credit card orders may ship freight prepaid.

Contents must be inspected upon receipt and re-stored in packing until installation. Please see warranty*.

Canada Returns are subject to brokerage/customs charges beyond our control. Charges will be billed to the returning party.

Pre-arrangements for payment of brokerage/custom charges for shipments to third party must be made by purchaser – carrier will otherwise collect from consignee upon delivery

RETURN POLICIES: **30 day return policy strictly enforced.**

25% restocking charge will apply on all returns. 10% exchange fee will apply on all exchanges.

No returns accepted on special woods, customized orders (e.g. columns, mantels) or on material that has been finished or altered in any way.

All returns must be properly packaged and items will be inspected upon return before a credit will be issued.

No credit will be given on unauthorized returns. Factory RMA # is required.

WARRANTY: We will replace factory defective items within one year of purchase date, subject to factory approval.

Our liability shall not exceed the replacement cost of our product.

Defect on the material or workmanship must be reported upon receipt and prior to installation.

Prompt and proper sealing and finishing is essential to maintain wood stability.

We use Water Resistant Glue for additional glue joint durability.

We do not recommend our products for exterior use.

***WOOD PRODUCTS MUST BE MAINTAINED UNDER STABLE TEMPERATURE AND HUMIDITY CONDITIONS TO REMAIN UNDER WARRANTY.**

NOTE: We reserve the right to adjust prices and make design modifications without previous notice.
